世界はコイに満ちている

Heila, Amechan here.
I've got an Akuma na Riddle book this time!
Yaaay! I'm glad I released it!

I got into Akuma na Riddle from the anime. I got hooked on the promise of various mysteries and yuri developments of the first episode, as well as the character's huge chuuni power. Add in the "mutter mutter" afterwards and I enjoy watching it.

And so this is focused on Haru x Takaku. It's yuri, with particular significance in the beginning and the end. It's probably supposed to be the other way around... yeah, I know. I drew them getting closer to each other little by little. But then Chitahitsu came in all hot and heavy! What's up with that? I had to comment. All of the girls in class black are cute so I like to include them as much as possible. I hope you enjoy it!

Ah, but I do seriously regret not being able to draw this one girl... ugh! I'll try to get her in soon!

I hope we can meet again in my next book!

Amechan (Kuuha + Saijou)

There's no afterward so I'll put more info in here.

I will make frequent appearances on Pixiv and my rarely updated website. I'll put event info and script progress up on Twitter. Come take a look if you get the time!

Get in here,
quickly!

You can leave your
clothes on!

Don't touch it!

I have to cool
you down.

It's cold.

シャアア!

Horu isn't going to die.

That's correct.

Which is why you don't need to protect Horu.

... You seem used to this.

a flower petal speckled with red and white.

Her back looks like

Stop that.

Eh?

Tokaku-san's back...

touch

It stings when you touch me.

It's so pretty, too.

Hopefully she doesn't get any scars.

hurt
yourself
for Haru
anymore,
Takaku-san.

squeeze

That's
why you
can't

Despite how she
looks, Haru is
well equipped to
deal with this.

sniff

... I thought
you told me
not to cry?

シ

She only
got some
water in
her nose.

Haru's not
crying.

Don't fake a
smile when
you don't
want to for
dead people.

That's a
curse.

Don't give
me that
forced
smile.

Horu
loves you,
Tokaku-san.

You're
wrong.
Horu is
smiling
because
she's happy.

Horu believes
that she always
has to smile on
behalf of all the
people who gave
their lives for her.

You see,
Tokaku-
son...

spin

Haru is smiling
right now
because she has
you, Tokaku-san!

But even so,

Tokaku

This bothers me.
I don't understand
my emotions.

touch

Only hell
awaits those
who care for
others.

You could say that
and forgive just
about anyone.

Which is
why I fell
for you.

And yet, this
contradiction
bothers me.

That's why Haru
smiles as if she's
the happiest person
in the entire world.

A confession that
was reached by
the process of
elimination
reached my ears.

For Haru...

you're the most
important person
in the world,
Tokoku-son.

end.

ChitaruHitsu in the bath!

The world is full of ----

Huh?

Nnn...

Ahh...

Takaku...

san?

Are you awake,
Ichinase?

Takaku-san,

you'll catch
a cold if you
sleep there.

Oh, nothing?
Really?
Not o thing?

Pull one
over?
Horu hasn't
really done
anything.

Let's be honest,
how did you pull
one over on
her?

Horu's
telling you
truth.

Yep!

Which is why
Haru would
actually like
to hear an
answer from
her.

"Why did you
pay attention
to Haru?"

All Horu did
was give her o
strop like
everyone else.

And talk to her
like Horu does
with everyone
else.

Out of all those
who want to kill
Haro, why did you
choose to save
her?

I get asked
a lot, so
I'm telling
you in
advance.

My
name means
"impossible",
like horns on
a rabbit.

But despite
that...

After all, Haro
has no family or
friends.

Yeah...

normally,
that would
be impossible.

With those injuries and that high fever?

Yep, even with all that.

My world is
filled with
Tokaku-san.

This hand that
is now holding
mine...

It's no illusion.

Your hand.

It's warm.
